Getting Started Building A New House

May 11th, 2018

Building a new house is part of the great Australian dream. It's about creating your dream from the ground up. Choosing a floor plan that exactly suits your family and lifestyle and finally choosing the colours and finishes that make your new house yours.
May 8th, 2018 To be comfortable buildings in all Australian climates require some form of cooling at some time of the year. There are many ways you can design or modify your home to achieve comfort through passive non-mechanical cooling as well as hybrid approaches which utilise mechanical cooling systems.
